

St Thomas à Becket church, Ramsey

7th February 2026

The visit was very successful; the group was given a warm welcome and a very interesting talk by an enthusiastic monk, who was very entertaining, and is an enthusiastic member of the church.

The members of the church were very knowledgeable and welcoming. The church itself has long history that is intertwined with the Abbey. It has survived through the years by being adaptable to the changing times.

The group's next visit is to:

St John the Baptist Church, Somersham on the 7th of March 2026
