NOTES FROM THE CHAIR

As I write this, we are midway through our second heatwave! I know almost everyone will be finding the heat very difficult to cope with. Still, we've passed the longest day, and it won't be long before we're being told how many shopping days it is till Christmas! Speaking of which, we have "Christmas in July" to look forward to, as well as our usual U3A activities. The group is always evolving, reflecting the needs and wishes of the members and that's what keeps it dynamic and relevant. Please let us know if you have any ideas or comments for the committee's consideration.

In the meantime, try to stay cool and hydrated and let's look out for one another.

Looking forward to seeing you all soon,

Regards
Mary

Rummikub is a tile-based game which is based on the card games Rummy and Mahjong. There are 106 tiles used in the game, 104 numbered tiles (values 1 to 13 in four different colours, two copies of each) and two Jokers. Players start with 14 tiles and need to make sets, groups or runs of at least three.

Interested in playing? Then why not come along to the Games group which meets on the 2nd Wednesday of the month 2.00-4.00pm at the KEC.
